Prefabricated extruded
pipeline buildings

Huffman Company
ASME rated shell and tube
Heat exchangers

Aitken Schuff
Tee Strainers, Y Strainers
Basket Strainers, Bleed Rings
Spacers and specialty fabs.

Harrison Manufacturing
B7 & 2H nut and studbolt
kits with Flexitallic gaskets

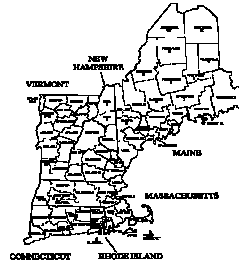

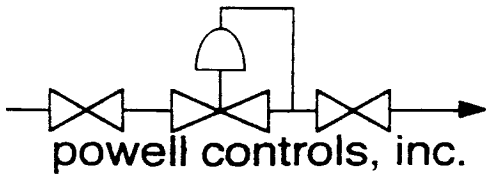

TS Strainers
Weld & flanged end tee
Strainers, witches hats,
Spectacle blinds & bleed rings

EJ - Syracuse Castings
Custom, aluminum access hatch solutions
Aluminum industrial ladders, manholes
and manhole rings

A+ Corporation
Genie line of analyzer
probes, regulators, and
sampling conditioners.

Mercer Valve Company
Relief valves with Auto-Seat
Technology for Natural Gas
And process.

AMI Inc.
O₂, H₂S analyzers
TDL Moisture Analyzers
For natural gas

Control Air Inc.
Precision pneumatic and
electro-pneumatic controls
regulators and I/P's
